Summary of Services Rendered by O&B During the Compensation Period

14. This is O&B's Sixth interim application for compensation in the Debtors' Title III Cases.

15. O&B has served as Puerto Rico counsel for the Oversight Board, who as the Debtors' representative in these restructuring cases, defends their respective rights and interests in the multiplicity of litigation attacking the certified fiscal plans for the Debtors and their respective restructuring efforts in accordance with PROMESA, and engages with creditors and other stakeholders on alternatives for a Title III plan of adjustment. O&B has worked closely with Proskauer Rose LLP ("Proskauer") and other consultants for the Oversight Board in the formulation of the different legal strategies designed to further PROMESA's mandate of returning the Commonwealth to fiscal responsibility and access to capital markets.

16. O&B has worked with Proskauer in, among other things, the following: (a) preparation and filing of pleadings and briefs in litigation matters; (b) preparation for hearings; (c) research laws and jurisprudence, both Federal and local, regarding proposed plan issues, including bankruptcy, U.S. and P.R. Constitutional issues; and (d) performed other professional services as described in this Application and reflected in **Schedule 3** and **Exhibit B**.

17. O&B seeks an allowance, pursuant to the Interim Compensation Order, of \$310,485.60 as compensation for professional services rendered and \$4,808.81 as reimbursement for actual and necessary expenses incurred during the Compensation Period in connection with such professional services. The Application shows that for the Compensation Period in question O&B has applied a 10% discount on the hourly rates of all attorneys and paralegals working on these cases.

18. O&B maintains electronic invoices in connection with the firm's representation of the Oversight Board as representative of the Debtor. Copies of the electronic invoices with respect to the Oversight Board as representative of the Debtors for the Compensation Period are attached hereto as **Exhibit B**.

19. O&B's summary of itemized time records for professionals and paralegals performing services for the Oversight Board with respect to the Debtors during the Compensation Period is attached hereto as **Schedule 1**. During the Compensation Period, O&B billed the Oversight Board for time expended by attorneys based on O&B's hourly rate for each professional and paralegal as detailed in **Schedule 2**. The professional services performed by O&B during the Compensation Period resulted in 1,501.40 recorded hours by O&B's attorneys; and 101.70 recorded hours by paralegals. Furthermore, **Schedule 3** shows, for each Project Category (as defined below), the total recorded hours for each Project Category. In accordance with Guidelines paragraph C.3, O&B's blended hourly rates are disclosed in **Schedule 1**. The fees charged by O&B are in accordance with the firm's existing billing rates and procedures in effect during the Compensation Period. The rates O&B charges for the services rendered by its professionals and paralegals in these Title III cases are below or consistent with the competitive market rates in Puerto Rico for bankruptcy matters, charged by the other Puerto Rico counsels who have appeared in these cases.

20. All entries itemized in O&B's time records comply with the requirements set forth in the Guidelines, including, without limitation, (a) the utilization of what O&B identifies as task codes (each a "Project Category"), (b) a description of each activity or service that each individual performed, and (c) the number of hours (in increments of one-tenth of an hour) spent by each individual providing the services.

Applicant Statement In Compliance with Appendix B Guidelines C.5

21. The following answers are provided in response to the questions set forth in Guidelines paragraph C.5:

Question: Did you agree to any variations from, or alternatives to, your standard or customary billing rates, fees or terms for services pertaining to this engagement that were provided during the application period? If so, please explain.

Response: Yes. O&B agreed to a 10% discount on the total amount billed in all invoices.

Question: If the fees sought in this fee application as compared to the fees budgeted for the time period covered by this fee application are higher by 10% or more, did you discuss the reasons for the variation with the client?

Response: O&B did not prepare budgets for Oversight Board for the Compensation Period; but the fee applications are in-keeping with the non-binding fee estimate for the 2019-20 fiscal year submitted to the Puerto Rico Department of Treasury. See, Docket No. 3269, ¶14.

Question: Have any of the professionals included in this fee application varied their hourly rate based on the geographic location of the bankruptcy case?

Response: No.

Question: Does the fee application include time or fees related to reviewing or revising time records or preparing, reviewing, or revising invoices? (This is limited to work involved in preparing and editing billing records that would not be compensable outside of bankruptcy and does not include reasonable fees for preparing a fee application.). If so, please quantify by hours and fees.

Response: No, the Application does not include time or fees related to reviewing time records or preparing, reviewing or revising invoices in connection with the preparation of monthly fee statements.

Question: Does this fee application include time or fees for reviewing time records to redact any privileged or other confidential information? If so, please quantify by hours and fees.

Response: No.

Question: If the fee application includes any rate increases since retention: (i) Did your client review and approve those rate increases in advance? (ii) Did your client agree when retaining the law firm to accept all future rate increases? If not, did you inform your client that they need not agree to modified rates or terms in order to have you continue the representation, consistent with ABA Formal Ethics Opinion 11-458?

Response: Yes, the Application includes rate increases, as agreed with the client in the original services proposal. Moving forward, future increases will be submitted for approval pursuant to the procedures set forth at Docket No. 7678.

22. O&B attorneys, as Puerto Rico counsel for the Oversight Board, also attended hearings and participated in teleconferences with the Oversight Board, the Board's professional advisors, AAFAF and its professional advisors, the Unsecured Creditors' Committee and its professional advisors, and the Debtors' creditors and their professional advisors.
